

1. Open Teams Tab
2. Click on Chat icon on the vertical left-hand menu
3. Click on the Channels tab on the horizontal menu right under the CHAT heading
4. Go down to the bottom of you channels and click on the “see all your teams” hyperlink
5. You should now see “Your teams and channels.” Click on the Create Team dropdown menu on the upper right side of the screen and select “Join Team”
6. Enter the Team provided code **z5ri85l**
7. Click Add Team and join the community
